

Bienvenue!

Welcome back to Chez Billy Sud.

We have missed serving you. We want to be clear about our policy on service charges.

Simply put, we do not add any service fees to your bill that go to the business.

When presented with your bill, you will see an automatic gratuity charge of 20% of the service total, before tax. There is a second line for additional gratuity if you would like to acknowledge exceptional service.

100% of this money goes directly to the staff that served you.
